They are interested in hearing from other Chapters who will wish to tie into this network.

MORE NLA CHAPTER NEWS

NLA: Arkansas reports tremendous enthusiasm building for **Lockup II** (July 12 to 14 in Little Rock, Arkansas). Among celebrities scheduled to attend are Guy Baldwin, Diane Suiza, Howard Martin, Edie King (Atlanta's oldest living leather drag queen), and many other major title holders. Among featured events are the Mr/Ms NLA: Arkansas contest, and an evening dinner cruise on the Arkansas River in a stern-wheeler. Arrangements are being made for a play party; the Chapter's goal is to broaden education and experience.

NLA: Portland's Vice-President/Social Chairman Roland Bynum won the Mr. Portland Leatherman title at the second annual running of that contest sponsored by ORGASM on Feb. 23. Ms. Lesley

McGuire won the Ms. Portland Leatherwoman title that same evening; she and Roland are collaborating on events and fundraising for future months. Richard Williams (Chapter Treasurer) resigned his office April 1, as he is relocating to Wilmington, DE; he will continue to hold his Mr. Portland NLA title. Board member K.T. Chase also is President of ORGASM, while Board member Sallee Huber (who recently competed in the IML Contest) holds the Ms. Puget Sound Leather Title. Ruth Thomas, new Treasurer, and Lynne Shoemaker, Board member, will participate in Oregon Gay Pride Day on April 20 in Salem, OR. NLA: Portland and ORGASM will share a sales table at that event. Bill Schmeling, PDX Recording Secretary, will be attending the IML Competition May 24-27 in Chicago, which will also welcome Mr. Portland Leatherman Roland Bynum as a competitor, and also Mr. Portland NLA Richard Williams.

NLA: Portland is reporting successful fifty-fifty raffles on Thursday nights at the PDX Eagle, with proceeds to designated

eight member panel and the way the information was presented has been a great turning point in my life. I not only have a much better understanding of what the leather community is all about, but I have a much better understanding of myself. The honesty in which the information was presented allowed me to be honest about myself, honest about who I am, and honest about what I want. I have needs and desires in my life and during the workshop I identified them and have allowed myself to know that it is not only O.K. to have these desires, but that I can really get off to them.

AUSTIN WORKSHOP A GREAT SUCCESS

Dear Sir:

I attended the National Leather Association Conference in Austin last weekend [which was co-sponsored by **NLA: Austin** (Chapter-in-Formation), **NLA: Dallas**, and **NLA: Houston**]. I want to let you know that the information presented by the

charities and to the Chapter Treasury. By-law revisions are in progress, with discussions to be held at the May 20 General Membership Meeting (7:30 PM at the Embers). The Chapter will hold a Meet-n-Greet followed by a How-To Workshop at Embers 6 to 9 PM April 28 (door charge \$3). Work is progressing on a "Royal Cabaret" event for about June 2. The Chapter will be participating with ORGASM and Knights of Malta in the Leather Pride Week events of August 18 to 25, which may include bar events, picnics, etc.

B.Schmeling

NLA: San Diego has had a tremendously successful Leatherfest '91. Now, the Chapter is planning for Board and Officer elections, with winners to be announced April 14th. A SM 101 class for women was set for March 3rd, facilitated by Trish, Bear, and Cori. Plans are beginning for participation in this year's Gay Pride Weekend and Parade, with a float under consideration.

Thank you for showing me that it is O.K. to be who I am.

Even though there was not a large turnout at the workshop, please don't let that discourage you from having more in the future. If I was the only one that got as much out of it as I did, then they are worth giving. I am sure that everyone who attended left fulfilled and had a comfortable understanding and a great support for the leather community. If I can be of any help in any way to support the NLA besides joining, please ask for it.

Greatly yours.....

(and mention the NLA and Living in Leather). Rates are \$75 for 1 to 4 people. Chief travel agent is Travel in the Main; contact Ed Luisi at 1-800-323-4378. NLA AFFILIATE NEWS

LEATHERMASTERS, INC.

In our February **First Link** we reported on the recent installation of Leathermasters' Officers. We inadvertently left two persons off the list, Past President **Jerome Stevens** and Member at Large **Carl Matthes**. Congratulations to Leathermasters for a continuing job well done! Their address is 4470-107 Sunset Blvd, Suite 293, Los Angeles, CA 90027.

THE HUN

Bill Schmeling, the Dreaded Hun, attended the Mr/Ms Southeast Leather event in Atlanta, GA, March 7-11, where he served as judge or the men's contest, showed and sold his naughty pictures at the Southeast Gay and Lesbian Expo '91 next door, and lurked about in the shadows generally, photographing sweet young things in compromising situations with the idiot-proof camera presented to him by Roland two Christmases back. Bill and Roland Bynum will attend the IML Contest, Chicago, May 24-27, where Bill has scheduled his first Mid-West Hun show ever at the MANHOLE, the same weekend. God willing and the creek not rising, Roland and Bill will also celebrate their "remarkable and unforgettable" thirteen years together - probably with McDonald hamburgers and a splash of cheap vodka -- on May 25. Bill plans to attend Dustin Logan's FANTASY '91 celebration in Omaha, NE August 16-18, where he will show-n-sell his infamous Hun artwork and sign posters he designed for Fantasy '91, which feature Shan Carr and an unnamed Leatherman with clasped hands raised before the globe, celebrating this year's theme, "A World in Leather!" B.S.

Activities will include S/M related workshops and demos, and lots of free time for meeting friends and exploring the park. Dungeon facilities are open the full weekend, with equipment, safe sex items, and clean up supplies provided (but please bring your own personal implements). The Knights will provide five home-cooked meals along with continuous beverages. The Knights Tournament only occurs in odd numbered years. Cost is \$75 before May 17 and \$85 after. LEATHER UNITED--CHICAGO

LU--C reports a successful Mr/Ms Midwest leather weekend, and reports tremendous cooperation from Pigger's Pub, Carol's Speakeasy, and the many clubs and organizations involved. At their March 22nd Club Night, grand prize was an Easter Bunny in Bondage (courtesy Leatherman's Image). Next Club Night is April 26 at the AA Meat Market.

OUTCASTS

The Outcasts of San Francisco have done it again, with their annual "Spoof" issue of **The Lunatic Fringe**, this year entitled **The Laminated Finch**. This outrageously hilarious issue includes a complete SM horoscope, a book review (on--shudder--the invisible world of the Vanillan), a handy tax form (for corporal pains), and the report of a seminar on incorporating SM into the business world. Even the organizational statement of purpose is grandly perverted ("An educational, support and social group for all chicks interested in lamination between chicks including lesbian, bi-sexual and transsexual chicks). Three cheers for the **Outcasts!!** W.G.

SOCIETY OF JANUS

Subject of the April 25 Program Night is Auto Genics, the process "of bringing yourself into Alpha state where resistances are lowered and the subconscious is open." This "has wonderful possibilities as a tool

in S/M play." The presentation will be by a doctor new to the S/M community and to Janus. Janus is in the process of holding its elections; NLA welcomes new and returning officers to this senior organization.

THE FIFTEEN

The Fifteen reports a successful baptism of its new dungeon, and that "its first earthly steps have been exciting." They report a major renovation of the space, important new dungeon behavior rules, and a great openness for volunteers for dungeon work and creativity. The 15 exists to encourage safe, sane and responsible S/M,

and invitations to its functions are issued to men who wish to enjoy serious S/M. You may contact them at POB 421302, San Francisco, CA 94142-1302.

UNITED LEATHERFOLK OF CONNECTICUT

POLICE RAID AIDS-SUPPORT OFFICE

State police raided the office of Trans-Aid, an Orlando AIDS support group, and the home of its director, Alfredo Martinez-Garcia... took several boxes of AZT pills and their own medication and accused Martinez-Garcia of illegally dispensing it to AIDS sufferers. *Seattle Times*

THE GOVERNMENT AT WORK

The bodies of more than 800 dead, radioactive beagles -- used in 27 years of government experiments -- were shipped in October for burial at the Hanford, Wash., Nuclear Reservation. Also arriving was over 17 tons of the beagles' radioactive excrement. *(Anonymous Member)*

STARTLING CENSUS RESULTS

According to the recent census, the San Francisco Bay Area has 1,482 bottoms per square mile, as opposed to 1,0116 tops per square mile. If all the chain in San Francisco Dungeons were laid end to end, it would reach from Stormy Leather in San Francisco to the dark side of the moon four times. *Laminated Finch*

FREEZING TAILS OF TERROR DOWN UNDER

Two Australian police officers (patrolling an outback highway) were set upon by about 15 Aborigines with yard-long frozen kangaroo tails when they tried to remove an Aborigine who was sitting in the middle of a highway. *Seattle Times*

EVADING THE FIRST AMENDMENT

In Indianapolis, the city council passed a ban of pornography which displays "the sexually explicit subordination of women, graphically or in words," which may present

women as sexual objects who enjoy pain or humiliation, are penetrated by objects, or are shown as bleeding or bruised. This ban was struck down in District Court, and this judgement was confirmed in Federal Court of Appeals, with the judge's description of the ordinance as "thought control" which establishes an "approved view of women, of how they may react to sexual encounters, of how the sexes may relate to each other."

A NEW REIGN OF TERROR IN IRAN**

An unconfirmed report in the Swedish gay newspaper *Kom Lit* says that 70 gay and lesbian Iranians were thrown off a cliff in the early 1980s after authorities learned they were forming a gay organization. A gay man who escaped from Iran is quoted as saying, "The Iranian ayatollahs do not merely condemn homosexuality, they are doing their utmost to root it out of Iran totally." A new campaign reportedly announced by the Iranian government on New Year's Eve, 1990. Five homosexuals were executed by beheading and stoning the day the campaign was announced. In addition to stoning, beheading, and throwing homosexuals down from a height (such as a mountain or a tall building) (such as a mountain or a tall building), Iran's version of the Islamic "Shariah Code" also allows authorities to collapse walls on top of homosexuals or burn them alive.

TRUTH IN PUBLISHING**

(From the Motorcyclemen of New Mexico comes this notice.)

"By popular demand, the MNM Newsletter is published about 4 times a year, or whenever the editor can get it together. The inclusion of a person's name or image in this publication is not indication of sexual preference or intelligence quotient. *courtesy Partners*

"As for editorial integrity, we promise at least 95% accuracy and 99% impartiality, except when we must resort to rumors or innuendo. Or editorial philosophy is: what you read is what you get."

LONDON S/M GAYS FIGHT OPPRESSION

Nearly 200 practitioners of gay sado-masochistic sex turned out for a meeting in London in late January to discuss the recent hefty sentences handed down by a judge against 15 men convicted of having consensual and/or solitary S/M sex in their own homes. Under the banner "No Gay Witch Hunt," the members of the group S/M Gays decided to initiate a Parliamentary lobby campaign and write letters to the non-tabloid press in hopes of persuading journalists to report on the situation. On Dec. 15 Judge James Rant sent 15 gay men to prison for up to 4-1/2 years each after police confiscated homemade S/M videos from their homes. Police targeted the men after they received prohibited material by mail from other countries. In sentencing the men, Rant declared that although gay sex is legal in Britain, one may not cause "actual bodily harm," keep a "disorderly house," engage in "unlawful wounding," or produce "obscene" videos. *--Rex Wockner*

RIGHTS FOR SAME-SEX COUPLES

American Automobile Association of Washington State has extended its requirements for "associate" membership to include domestic partners and other residents of a "primary" member's household. These associate memberships had previously been reserved for the member's spouse or dependent children. Civil rights attorneys say this is the first settlement in Washington State and one of only a few nationwide to prevent discrimination against same-sex couples. *courtesy Partners*
