Joining the National Leather Association

International is easy and fun. Perhaps the most important advantage is that you will belong to one of the oldest leather organizations that have been building our community since 1986. Your support will go to help provide education, resources, and a place to meet people with similar interests. Membership is an investment in your future and that of our leather and kink communities.

NLA-International members and its local Chapter members support organizations striving to educate people on safe sex, and supporting members of the community with AIDS. NLA-International also staunchly supports Domestic Violence Awareness projects.

NLA-I continues to support the Leather Archives & Museum, an entity that strives to maintain records of the rich history and traditions of the leather lifestyle.

NLA-International is dedicated to the support and education of its members and their communities. We invite you to look around our website, where you will find more information on our projects, people, and the organization.

Applications for membership, documents for starting a local Chapter, and individual membership are located on the NLA-I website at: <http://www.nla-international.com> on the main page.
